

The OH22 group* is an IT service organization with long-term and wide-ranging experience.

Our recipe for success is down to our passionate staff. Our consultants and technicians always bring all their know-how, work attitude and experience to fulfill the requirements of our clients.

QUALITY MANAGEMENT

- Maintaining our **Quality Management System** in accordance with **ISO/IEC 9001:2015**.
- **Exceed customer expectations** by committing to service quality
- **Continuously improve** our service and adapt to our customers needs

INFORMATION SECURITY

- Maintaining our **Information Security Management System** in accordance with **ISO/IEC 27001:2022**.
- Following the principles of **confidentiality, integrity, availability and authenticity** to protect information
- Wherever possible **reduce** IT-related risks to a minimum

CORE VALUES

- Our work is based on **integrity, accountability, loyalty and fairness**
- We care for our **customers, employees, partners and suppliers**
- We are committed to **innovation and service excellence**
- Sustainability and **ecological awareness**

Our goal is to provide the highest quality services and products by creating sustainable and practical solutions, allowing our customers to focus on their core business.

This commitment is rooted in our company values and is essential to our continuous growth and success.
